

## COURSE 210 – PMP EXAM PREPARATION

### Course Description

The PMP Exam Preparation course is part of Vitesse's **PMP Proficiency Program™** and consists of a 36-hour course based on the PMBoK Guide. This course is best suited for project managers seeking PMP certification but is also applicable for preparing for the CAPM (Certified Associate in Project Management) exam. Students will receive course notes for each session, 36 hours of instruction by our PMP trainers, and a course completion certificate (this is one of the pre-requisites for taking the PMP exam).

### Course Contents

All modules of the PMBOK Guide and an end-of-course review are covered in the sessions listed below:

- Introduction & Project Life Cycle and Organization
- Professional Responsibility & Project Integration Management
- Project Scope Management
- Project Time Management
- Project Cost Management
- Project Quality Management
- Project Human Resources & Communication Management
- Project Risk Management & Procurement Management
- Review
